IN MY LIFE

READING MEMORIAL HIGH SCHOOL
READING, MASSACHUSETTS

We are at the end and at the beginning. Four years ago, we entered RMHS, some confident, some timid. Who can forget freshman year? The Fire Department earned its salary in a week and a half. Some grades suffered because often, last period averaged only fifteen minutes. Coolidge and Parker kids could easily unite through the humiliations of Decisions and Gym Lab. We were new to the school, putting us in the same category as our principal, Mrs. Mirkin. We used our hats to hide our nervous faces.

Before we knew it, we were sophomores, the year that Roles, Rights, Reason and Responsibility struck the balance. Being older than the freshmen was a comforting feeling. We looked forward to our Semi, "Time to Remember". Unfortunately, the theme song was never played at the dance. That year, we had many successful sports teams. The Football Team went to the Superbowl and Boys Track and Field was featured in Boston Magazine. The Girls Tennis Team won its first Middlesex League Title and claimed the State Singles Title. Titles were also won by the Wrestling team, Girl's Swimming, Field Hockey, Softball, and Girl's and Boy's Track. Springfest was wonderful, the barbecue was wonderful, the school looked wonderful, Mrs. Mirkin said it was all wonderful. We concluded the year by dancing the night away at the last Hawaiian Dance.

Junior Year and we became upperclassmen, had free periods and enjoyed sitting in the "big" cafeteria. Most of us got our licenses and could be found driving in circles around McDonalds. Diversity was celebrated. We went to the Junior Prom at the luxurious Andover Rolling Green and ate the delicious Chicken Cordon Bleu. The guys skipped and Mr. Croft flipped.

September 1994: Senior year. Most students were making plans for the future. We were introduced to real *Stress*. First semester grades were so important, and we did not take our classes, college applications and essays, or the November SAT's lightly. The aura around the homecoming "Spirit Dance" set the tone for the rest of the year. We collected Middlesex League crowns. Outstanding fan support helped propel the Rocket Boys Soccer Team to its first Championship ever. The Hockey Team debuted at Burbank Arena, won the Title and then had the honor of playing in the Super 8 at Boston Garden (its swan song year). Lastly, the Boys and Girls Indoor Track won the Middlesex League Championships, with the girls winning the State's top honor.

As 1994 faded into 1995, our class began to unite like Legos, creating the force we are now. As we leave the high school, much of RMHS will remain with us. Our lives have been touched by many who have helped prepare us for the future. Saying goodbye will be hard for some, easy for others, but all of us will take the experiences of RMHS with us wherever our paths lead.

The PIONEER 95 is the guardian of these memories. When we each look back and reminisce about our years here, we can stop and think, it was a good time, *IN MY LIFE.*

Class Committee 1995

"There are places I'll remember
All my life, though some have changed.
Some forever, not for better
Some have gone, and some remain.

All these places have their moments
With lovers and friends I still can recall.
I know I'll often stop and think about them . . .

In my life, I've loved them all."

DEDICATION

We, the class of 1995, wish to dedicate the 1995 PIONEER to the person we feel as been an outstanding example of what a teacher, advisor and friend should be. This year, Mr. Ronald Howland is the recipient of this honor. When asked why Mr. Howland deserved to be selected, the Class of 1995 responded, "because . . .

" . . . his teaching methods exceed all the requirements given. He has helped me develop by being my advisor, and most importantly, my friend."

" . . . he is just really awesome."

" . . . he was one of the best and most influential teachers that I ever had."

" . . . of his excellence in teaching."

" . . . he is such a wonderful teacher and I would like our class to remember him by this dedication."

" . . . he's a good teacher."

" . . . he's a great teacher and a great person."

" . . . he is the epitome of what a true educator should be. He challenges students to really experience the beauty of literature and the humanities. His class doesn't teach students to merely absorb facts but he teaches them to gain knowledge and really appreciate English."

Mr. Ronald Howland

" . . . he's a great and influential teacher who goes above and beyond expectations."

" . . . he's a brilliant man and an excellent teacher."

" . . . of his genuine interest and incredible talent for enlightening and inspiring his students to contemplate their world."

" . . . he's great!"

" . . . he's in touch with our age group and he's a lot of fun."

" . . . of his fun spirit and enthusiasm for teaching English."

" . . . he's an awesome teacher."

" . . . he has been a great teacher and friend during high school. If you have a problem, you can talk to him and he will not judge you."

ADMINISTRATION

RENA MIRKIN PRINCIPAL

Dear Class of 1995,

On Wednesday, September 4th in 1991
The fall season had just barely begun
When in came the freshmen, 250 strong
An enthusiastic, lively throng
Eager to learn, to discover, to do
To examine worlds, both old and new
R.M.H.S. loomed especially large that day
And perhaps to me it looked the very same way
We were both new to this wonderful high school
Charting our courses, learning the rules
We explored new directions over four years
Shared excitement and joy, laughter and tears
We learned about roles, rights and responsibility
About science, math, fire drills and diversity
We came together, as a learning community
We began this journey together, you and I
And now it is time for us to say goodbye
To the very special class of 1995
A group with kindness, good will and drive
It is time for you to go forward, prepared to be
Contributing citizens in our democratic society
May your lives be filled with success in heart and deed
As you begin your individual journeys, I wish you godspeed.

Sincerely,
Mrs. Mirkin

When the class of '95 entered RMHS in September, 1991 as brand new Freshmen, we were greeted by a brand new Principal, Mrs. Rena Mirkin. Although she had been a member of the Guidance Department for several years, (and had left to take a Vice-Principal position in Milton), this was a new step for her also. The last four years have not been easy. The school has changed, we have changed, and the world has changed. Some of those changes we didn't like — no hats! Some changes we did like — no finals pending a B+ average. Whether we agreed or disagreed, Mrs. Mirkin has always asked for our input regarding school issues, and has supported the RMHS and our class in every activity and event. She has been our biggest Rocket fan along with her husband Howard, and has cheered us on at every game, meet, match, competition, and production. She has attended and participated in our meetings, rallies, banquets, fundraisers, and has laughed and grieved with us. Of the one thousand people that walk the halls of RMHS every day, Mrs. Mirkin can call most by name. She encouraged us to be involved but respected us when we didn't want to participate. Her Theme of "Diversity" made us think about respecting our differences. As we leave RMHS, your first graduating Class, 1995, would like to say "thank-you" You have made a difference.

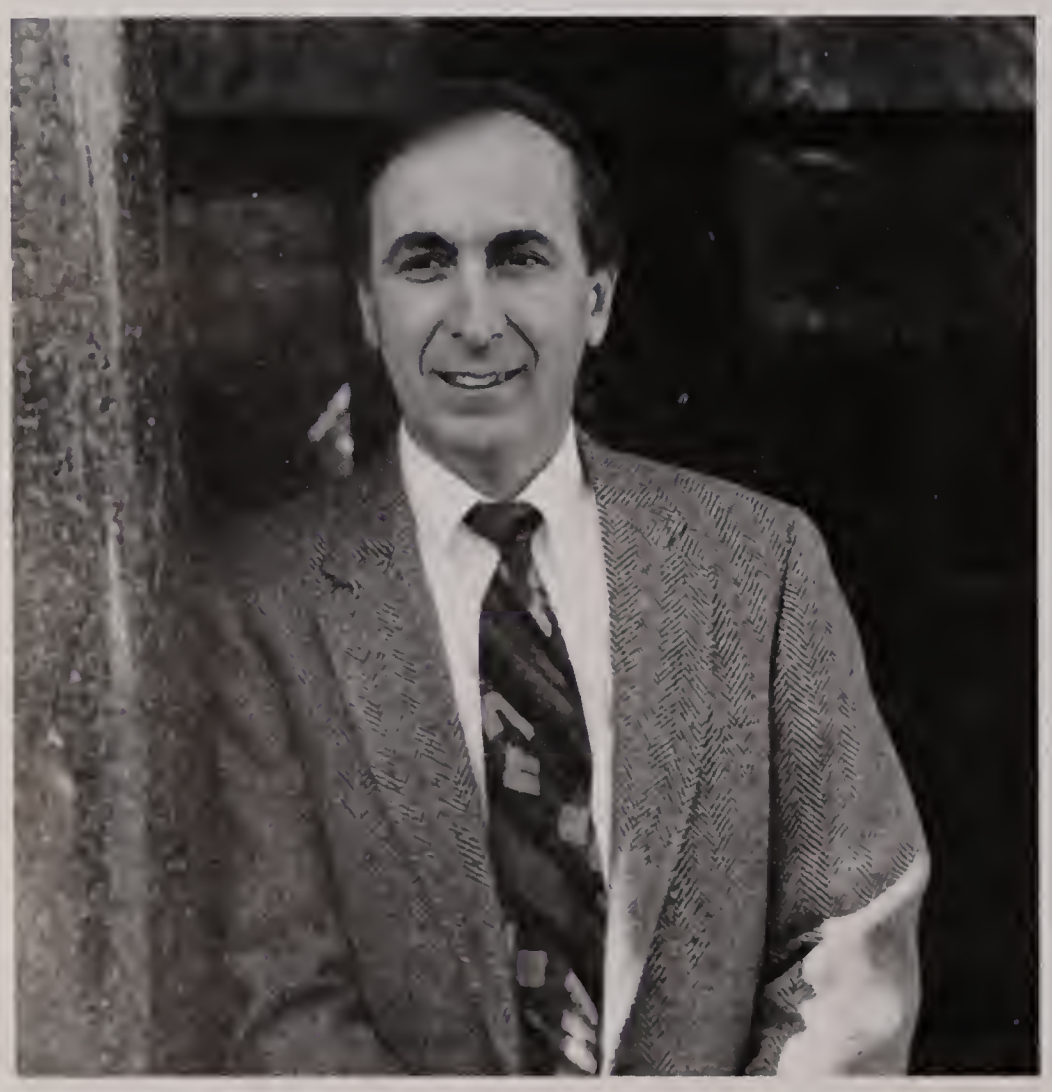

ROBERT QUINN ASSISTANT PRINCIPAL

PATRICK SCHETTINI ASSISTANT PRINCIPAL

During our Freshman and Sophomore years at RMHS, Mr. Schettini was our Assistant Principal. He was responsible for us and all our discipline (never!) problems. He is also the advisor for the Project Achieve program at the high school. As Juniors, we became the responsibility of Mr. Robert Quinn. His title is Assistant Principal for 11th and 12th Grades, but in reality, he became our friend and biggest booster. He believes that every one of the students that passes through the doors at Reading High is an achiever, and he is always willing to take the time to discuss what is on their mind, whether it be a problem or an achievement. Mr. Quinn has always treated us with respect, is firm when he needs to be, but is caring and always enthusiastic when it concerns the students. As one Senior reflected, "Mr. Quinn made me realize that life may throw you a curve, but if you put your mind to it, you can step back and hit a homerun."

CLASS ADVISOR

PHILIP VACCARO

As the advisor to the class of '95, Mr. Vaccaro has always come through for us. What can we say about the past four years? He has been there for every Tuesday morning Class Officer meeting and has devoted countless hours supporting us in all the events that we have run. (We could always depend on him to finagle a good deal on something.) At every activity, he is the first one there to help set up and the last one to leave. Never without enthusiasm, he really cares about the kids, and it shows. Mr. V. is not just a passive leader, he takes part in everything we do, academically and athletically. He's just like a seventh class officer, only a veteran, and he can answer any question we ask him. Without Mr. V. we would have been a class without direction. With Mr. V., we set goals and accomplished them.

Mr. Vaccaro, thank you for your dedication, enthusiasm and advice, and for believing in us, your babydolls. But most of all, thank-you for your friendship. We will miss you next year.

THOUGHTS

Class of nineteen hundred and ninety five

"Friends are supposed to be around
always and forever."
Sometimes things aren't as easy as
they seem
Things get complicated and
confused.
If everything could turn out the way
everyone wished,
Life as we know it
Would no longer exist.
This would be a perfect world.
A place invisible to human eyes.
Friends are supposed to be there for
you when you need them.
Friends are supposed to be there to
listen to you.
Friends are supposed to trust you.
Is this reality or wishful thinking?
A friendship is definitely worth it.
A good friend could be your best
friend.
A good friend could be your best
advice.
A good friend should be one of the
best things you have.
Is this reality or is this a joke?
True friends are hard to find,
Someone who will always be there for
you
In turn, who you will always be there
for.
Friends aren't one way.
The feelings have to go through both
of you,
Not just one or things aren't going to
work out.
Everyone wishes they could be rich,
Have valuables,
But only if people were viewed like
that.
To me, friends are valuable,
And if you can have just one "true"
friend,
Well, then I don't think there's any
need to be rich
When your "best valuable" is right
there for you.
There's nothing to win,
And there's nothing to lose since
"Friends are supposed to be around
always and forever!"

Yes! No. Wait — I forgot my . . .
He's here.
A run in my nylon tries to escape
No one can escape
I've tried — there is no escape
Soap in my eyes
My stupid fake nail falls off
Why care?
Tonight will be different
We'll be together — I can see us
He's smiling at me — but wait . . .
Reality sinks.
Deeper than before
The night moves on

Seems like forever — I'm being

Are they looking at me?
Do they know?

He's not here but he's always

Without it I give myself away

FIELD HOCKEY

The Reading Varsity Field Hockey Team finished in second place in the Middlesex League behind Watertown, the State Champions this year. There were eight seniors returning as second year varsity starters. The team was once again coached by Mim Jarema, her fifth year as coach. We played well throughout the tournament, but unfortunately we were defeated by Weston (the second consecutive year). The JV coach was Kris Burdett the freshmen were guided by Jane Shea. Lead by exceptional staff and dedicated players, the Field Hockey program at RMHS continues to excel. The Seniors from the 1994 team wish all of the future teams good luck in the years to come!

Kateri works the ball

The Mirachi sisters are going for the goal

As the Reading Girls Soccer team struggled to attain victory, innumerable memories of good times remain. The team worked hard for several hours each day in the hot afternoon sun and fall thunderstorms led by captains, Alissa Anderson, Kateri Hauck and Wendy Scott. The senior roster included Jessica Day, Kate Kalmakis, Erika Lund, Susan Maloney, Angela Nordstrom and Kelly Ryan. This year, the team advanced the program to new heights and the seniors will be missed. The dynamic of this team allowed it to push each member to her potential as well as toward their common goal. Pasta parties were ritual and sleepovers routine. Friendships made on this 1994-95 soccer team will endure.

BOYS SOCCER

"Who brought the ball?"

During the 1994 season, veteran RMHS Boys Soccer coach, Phil Vaccaro, stepped down to assume the new leadership role of RMHS Athletic Director. Under the direction of new Head Coach, Leo Figueiredo, the Boys Soccer Team became the first Reading Squad to go undefeated and become Middlesex League Champions. In the 1994 Tournament, we outscored opponents 11-1 but we were unable to finish the run to the State Title as we lost 1-0 in the North Sectional Final. Captains Jason Gracilieri and Billy Scott led a team characterized by an explosive offense, a solid defense and incredible goal keeping which combined to form the greatest Boys Soccer team that RMHS has ever seen. The 1994 Team will always be remembered in years to come. Seniors; Jason Gracilieri, Billy Scott, Josh Driscoll, Anthony Caporale, Craig Vaccaro, Atti Javor, Joe Nunes, Chris Cormier, John Zorabedian, Don Gourley, Colin Peterson, Nate Melanson and Andy Toth will know that they were the first soccer champions in Reading High's history.

During freshman year, many of the players were pounded in to not continuing during Sophomore year. Those that did stay were rewarded for their effort with the Middlesex League Championship and a try at the Superbowl. As juniors, we were one game away from a second league title and a Superbowl berth. With the addition of several new faces in the last two years, senior roster totaled sixteen: Matt Ray, Kevin O'Connor, Dan Nolan, Nick Aiello, Dan Aretusi, Brian Burbine, Mike Horvath, Nate O'Keeffe, Joe Manne, Aaron Guazzaloca, Brian Conte, Andrew Schena, Jeff Gray, Jeff Marshall, Gregg Fratto and Kevin Haverty. Unfortunately, we were unable to regain the title this year due to several heartbreaking losses. Hopefully, we will be more successful in college and we wish next year's team, led by tri-captains Dave Pizzotti, Chris Smith and Bill Robichaud all the best of luck.

GIRLS CROSS COUNTRY

The girls cross country team has had its ups and downs but has weathered the storm. From freshman year to senior year, there have been many memorable meets due to strong competition and extreme weather conditions. The veterans and the rookies trained in heat, cold, snow and rain in order to achieve goals for excellent personal bests. Led by tri captains Jessica Fay, Rachel Petkewich and Meagan O'Connell, the team did its best to survive illness and injuries and compete successfully. The practices, meets, pasta parties, and co-ed football games provided the opportunity to form strong friendships. The seniors leave the camaraderie, the traditions and a wish for good luck to next year's captains, Laura Mallett and Julie Pandolfo and the rest of the team.

BOYS CROSS COUNTRY

The boys cross country team wrapped up the 1994 season with an 8-1 record, finishing second in the Middlesex League. This season marked a great improvement over last year's 4-5 season. The team was led by two of the top league runners, junior, Tom Dulong and senior, Jeff Lloy. There was a great team effort this season and the middle pack of seniors; Mike Cormio (Captain), Mark Blodgett (Captain), Peter Waterman, Jason Pisarri, Joel Sachar and Jeff Kerr won crucial points in many meets. The Rockets beat Lexington for the first time this year which was a great achievement (in 1991 and 1992, we finished second in the league behind the Minutemen). This was an excellent season for this team.

GIRLS SWIMMING

The past four years have been very successful for the girls' swimming and diving team. We were Middlesex League Champions for three consecutive years. 1991, 1992, and 1993. Many of the swimmers and divers qualified for both the Sectional and the State Meets. There, the team finished very strongly each year. This year, we finished sixth in the North Sectionals. We suffered an unexpected loss to Lexington during the season, but recovered and captured the League Meet. Congratulations to Senior Swimmers Rachel Catalogna, Amy Condon, Kelly Doherty, Christa Gillis, Cheryl Lloyd, Lisa Luongo, Marybeth Maggiore and Jenn Pustorino. Good luck in the future!

The RMHS Marching Band and Colorguard has had much success and excitement during this past year. Our theme was music from the motion picture, Gettysburg. At all home football games, we recreated that infamous battle from the Civil War. We performed at school events, parades, the Christmas Tree Lighting in the Common and six competitions. Included in our performance schedule was the Windjammers Invitational at the U.S. Coast Guard Academy where we received the highest score ever in the history of the Marching Band. The band brought home numerous gold medals as well as awards for Best Drum Major, Best Percussion, and High Music Awards. We would like to thank Mr. Bunten and everyone else in the RMHS community who supported us this year.

In early September, a girl's volleyball team was formed under the direction of Mr. Vaccaro. Due to our lack of experience, Mrs. Hafer, our coach, had her work cut out for her. We concentrated on learning the basic skills and rules during the first couple of weeks of the season, as most of us had only played volleyball in gym class. Each game showed a dramatic improvement. Towards the end of the season, we gave our opponents a good fight. Although our season was not a winning one, we had fun being the first volleyball team ever to play for RMHS!

HOCKEY

The 1995 Rocket Hockey Team skated all the way to the Middlesex League Title this year. It came down to the last game, but the team clinched sole possession of the number one spot by beating Lexington 7-0. The victory and title were especially sweet as this was our first year on truly "home ice" — our new Burbank Arena. Every game was played to a full house of Reading fans and the team didn't disappoint them. Led by captain Ryan Dyment, who led the league in scoring, the Rockets dominated play each time they skated onto the ice. The team also kept the tradition of qualifying for the State Tournament and this year earning a berth in the Super 8 Tourney. Senior members included Matt Ray, Mark Blodgett, Mike Moynihan, Frank Metcalfe, Gregg Fratto, Josh Platt, Kevin Haverty (Mgr.) and Jason DeAngelis (Asst.). Special thanks to Coach Peter Doherty and his assistants Mark Doherty, Paul Bekkenhuis, Garth Scott, Jimmy Collins and Frank Golden for making it all possible.

GIRLS BASKETBALL

The 1995 RMHS Girl's Basketball Team finished the season with the best record in the last three years. This accomplishment was achieved under the guidance of second year coach and friend, Ms. Susan Stewart. Led by Senior Tri-Captains Elisha Winkler, Corin Murphy and Allison Peabody, the team was a threat to all competition. All-Stars selected this year are Allison Peabody and Jen Thompson. Great effort on the court was always contributed by fellow seniors Koleta Glover and Kelly Ryan. Most of us have been together since the days of "Y" travel basketball and will miss the great times we've shared. As we move on to college, we wish next year's team GOOD LUCK!

Great form

Under the unmatched leadership of Kendall "the Man" Holbrook and Co-Captains Kristofer J. Doucette VII and Timothy Fennelly, the phenomenal RMHS Boys Swim Team had one of its best seasons. With seven wins and only a mere two losses, the swim team made a valiant effort to take the Middlesex League title barely falling to Lexington. With the helpful addition of half man/half fish Peter Olinski and the consistent excellence of Matt Carroll, we were contenders for the crown until the very end.

GIRLS TENNIS

For the past three years, the girls tennis team has fought hard and was rewarded with overall winning seasons. We will always remember the pizza parties, the homemade goodies at every match, the bus rides with our driver and #1 booster, George, and especially the excitement of being Middlesex League Champions (for the first time ever!) while Chrissie Cerretani was crowned State Champion in 1993. We suffered some injuries and were nudged out of first last year, but hope to repeat as #1 this year.

BOYS TENNIS

The 1994 boys tennis team had a mostly successful season. Nate Melanson and Colin Peterson powered the team with their strong doubles play. The pair earned league All-Star honors for their efforts. Craig Vaccaro led the singles players, competing at either first or second position. Tim Fennelly also chipped in key play at doubles to help the team.

The 1995 season appears promising for the team. With Captains Nate Melanson, Colin Peterson and Craig Vaccaro, the team hopes to improve upon its fifth place finish in 1994 and go for the league championship. Led by Coaches Bruce Appleby and Michael Hickey, the team has a realistic shot at attaining this goal.

SOFTBALL

The Reading High Girls Softball team had an excellent 1994 season, finishing in first place in the Middlesex League under the able direction of first year varsity coach, Mim Jarema. The Rockets pitching led by Jaime Bergin was reinforced by a tremendous defensive squad. The infield was one of the strongest teams. This years seniors are ready to take the place of the eight graduates who helped the team to become so successful. The season ended with a record of nineteen wins and two losses.

The RMHS baseball program has continually been successful. We won the Middlesex League championships in both the 1991 and 1994 seasons. In 1994, we completed the season with an amazing record of twenty-one wins and only two losses. In 1995, the team led by Coach Peter Moscarello will try to defend their Middlesex League title behind Captains Josh Martin and Jon Whalen. Returning seniors include Nate O'Keeffe, Dan Nolan, Anthony Caporale, Jeff Kerr, Josh Driscoll and John Feudo.

GIRLS TRACK AND FIELD

The Girl's Spring Track team will hopefully win back the league title that was taken away last year due to one loss to Stoneham. The team is packed with incredible seniors and outstanding underclassmen. Many of our athletes are the best in the league. Last year, the javelin was able to take first, second and third in almost every meet. As usual, Reading has one of the best relays around and hopefully, with these strength,we not only will win the league, but the class B Relay Championship and States. Although many of us were always complaining about the workouts; whether it be the 400's, freshpond, or for the throwers, just a loop we had a ton of fun and will miss track tremendously. Special thanks to Mr. Feit, Nancy Madden and John for all your time and effort and for believing in us.

BOYS TRACK AND FIELD

The 1994 Boys Spring Track team captured its 23rd consecutive Middlesex League Championship. Strong performances came from all the Rocket tracksters. Jeff Marshall, Andrew Schena, Jason Gracilieri and Tim Nelson led the team in the field events. Jeff Lloy, Joel Sachar, Kevin "Oakie" O'Connor and Mark Blodgett were strong runners all season long. SPECIAL THANKS

During our four years at RMHS, many have been working behind the scenes to make our experience here a positive and enriching one. Hours of planning have gone into the successful production of fundraisers by the Boosters, PTO, Band Parents, the Auction Committee and the many other parents' organizations which support and contribute to each of our activities. The Town of Reading, the merchants, the Superintendent and School Committee have worked collaboratively to afford us the opportunity to attend a school which prepares us with the skills to achieve great things in the future. The advisors for the various clubs and committees have worked diligently to help us attain our goals and reach our potential. For all those fans who have cheered us to victory, consoled us after our losses, applauded our presentations and were simply there for us, we couldn't have done it without you. To all those people who have helped us along the way, all those "special" people, THANK YOU.

School Council members at their monthly meeting.

Thank you for your extraordinary philanthropy to the town and its school system. As elementary students, our introduction to computerization was made possible through your generosity . . . and it continues.

Nelson Burbank's dream of a skating rink in Reading came to fruition this winter. His generosity in donating funds to the town for this project has given our community its own arena. What could have been more appropriate than to have our Rocket Hockey Team win the Middlesex League Crown this year! The arena has become a place for friends and neighbors to gather throughout the winter months and share a sense of community. Thank you, Mr. Burbank!

Thanks to all the fans — parents, community and students.

SENIOR CLASS OFFICERS

Lauren Perella (President), P.J. O'Leary (Social Chair), Heather McDonald (Vice President), Meagan O'Connell (Social Chair), Chrissie Cerretani (Secretary), Craig Vaccaro (Treasurer)

The Senior Class Officers are an elected group of six students who have demonstrated a commitment and dedication to their class. The officers are instrumental in organizing a wide variety of activities for the senior class. These activities included the Back To School, Halloween, and Spirit dances, the Haunted House, the Pancake Breakfast, and the Senior Week Activities. The officers work with many volunteer senior class members to make all the activities both fun and memorable.

The Student Advisory Council at R.M.H.S. consists of twelve elected students who work together with Mrs. Mirkin to discuss school related issues that specifically concern the student population. This year, the S.A.C. has regularly attended School Committee meetings in order to make the committee aware of various programs which are ongoing at the high school, including the results of a school wide student survey that introduces educational techniques which benefit the overall atmosphere of the school. We hope that the S.A.C. has contributed to making the students at R.M.H.S. feel comfortable in their school environment.

The Student Council is comprised of elected representatives of the entire student body. Advised by Ms. Donna Pappalardo, the Student Council provides leadership and organization for both school and community activities. Within RMHS, activities such as Spirit Week, the Thanksgiving Pep Rally, Data Match, Teacher Appreciation Day and various student leadership conferences are under the auspices of the Student Council. As an outreach to the community, the Student Council sponsors parties for senior citizens, participates in Daffodil Day with the American Cancer Society, provides volunteers for the Reading Scholarship Foundation Telethon and organizes the annual Food Pantry canned goods drive. The funds raised by the Student Council are used to award scholarships to deserving students at graduation.

STUDENT REPRESENTATIVES TO THE SCHOOL COMMITTEE

Two Seniors are elected by the Student Advisory Council to attend all regular meetings of the Reading School Committee. These elected students provide input on issues that concern the student body at RMHS.

Peer leadership is comprised of 10th, 11th and 12th grade students at RMHS who serve as school and community role models. To apply for admission to this group, students are interviewed by current members and guidance counselors. This year, a major emphasis of this program included student training in AIDS Awareness, Eating Disorders and Suicide Prevention. Additionally, peer leaders visited students in grade 5 through 8 to discuss self esteem issues as well as to teach refusal skills related to peer pressure, alcohol and drugs.

PEER TUTORS

The Peer Tutoring program at R.M.H.S. is a small, yet always busy activity. Coordinators Renee Becker and Cindy Smith match students who need academic support with Peer Tutors. However, there always seems to be a large surplus of willing tutors over those who need to be tutored!

SADD, or Students Against Driving Drunk, is an organization whose goal is to make students aware of the necessity of driving sober. Under the direction of Leslie and Irene York, many activities are sponsored throughout the year to heighten student's awareness of the dangers of drinking and driving. Every year, April is marked as SADD Awareness Month. During this time, a car wrecked in a drunk driving accident is displayed in front of RMHS. The Fire Department comes to the high school and demonstrates the "Jaws of Life" to the students. Also, many guest speakers come to share personal experiences with the student body. The red ribbons that the club ties around car antennae is a visual reminder to all that they may not get a second chance if they get behind the wheel after drinking. Another ongoing program is the "Safe Ride Home" offer during the prom season.

A new club at RMHS, the Young Republicans formed in the fall of 1993 to educate students about the political process. Members worked on two campaigns for the election of the State Rep from the Twenty-First Middlesex District, visited the State House, and acted as pages at the Republican Convention in Springfield in May of '94. They also created a float for Reading's 350th parade and marched to represent the Reading Republican Town Committee.

Matt Carroll, Jason Powalisz, Bart Hanson, Brendan O'Connell, Michael Rossettre, Rick Stroman

Reading Memorial High School's Debate Team enthusiastically addressed topical issues, researching and planning both the pros and cons. This activity has been very rewarding and has provided invaluable, first hand experience in public speaking.

MATH TEAM

The Math Team is a title given to a group of students who participate in math related activities outside of school time. Some of the events are the TEAMS Competition and the Worcester Polytechnical Institute Math Meet. There are in school competitions such as the NEML and the MAML tests as well as interscholastic competitions. We are planning on having tee shirts made up which bear our motto — MATH IS MY LIFE!

DRAMA CLUB

This has been a very exciting year for the Drama Club. Mr. Enslow continues to guide, teach and inspire us to create magic on stage. This year we held three performances of "Dracula" in early December. Thanks to the dedication of the students, Mr. Enslow and Ms. Killian, parents and community supporters, "Dracula" was a tremendous success. The wonderful one act plays will culminate this school year.

The Garden Club was originated this year by President and avid gardener, PJ O'Leary. Treasurer, Jeff Lloy, was in charge of getting our club involved in statewide competitions which were based on the health and overall beauty of natural flowers. Heather McDonald demonstrated a great talent in her planting of annuals while Chrissie Cerretani focused on perennials. Mark Blodgett worked very hard to find rare flower seeds and used artificial plant lights to bring these rare beauties to life. Kris Doucette utilized his love of biology and charted the area where he could pick the most beautiful flowers. Additionally, he created arrangements which were used in our competitions. The club was a great success and grouped together six students who share a love of botany. There were no underclassmen in the club and it is doubtful that the club will exist next year.

Jazz Band

The Jazz Band under the direction of Mr. David Bunten consists of a very talented group of musicians who perform at school concerts, the coffee houses and many other activities both in and outside of school. This year, the Jazz Band performed at the 350th anniversary of Reading as well as the RMHS Goods and Services Auction. The Jazz Band and Jazz Combo combine to make beautiful music at RMHS.

The group performs at various concerts throughout the school year, including the Holiday and Spring concerts held at the High School, the Reading Public Library Appreciation Night, as well as the newly begun Pops Night. In 1994, the chorus performed as part of the 350th celebration. Some members are invited to audition for the New England District Chorus and may make the All-State Chorus. Members of Singers also are invited to audition for the R.M.H.S. Jazz Combo.

RECYCLING CLUB

The Recycling Club is a service group created in 1992 to promote environmental awareness and action amongst R.M.H.S. students and staff. We have created and supported the white paper recycling program, sold recycled wrapping paper and encouraged recycling and conservation at R.M.H.S. We will remember Tuesday morning drop-offs, bake sales, package wrapping at Caldor and the anticipation of getting our new bins. Co-advisors are Mrs. Moore and Mrs. Hennisey.

YEARBOOK

When we began our commitment to create the 1995 Pioneer, we had no idea as to the amount of work that awaited us. Hundreds of hours were spent selling ads, collecting money, organizing senior proofs, deciphering and typing profiles, taking pictures, writing, editing, laying out pages, collecting first, second and third deposits, checking and rechecking everything before it was sent to the publisher. What an enormous undertaking! Our goal was to include every senior in this yearbook as many times as possible. We hope that we succeeded! Special thanks to Mrs. Karen Cerretani, Mrs. Rhonda Gracilieri and Mrs. Maureen McDonald who worked tirelessly during days, nights and weekends to insure that we met our deadlines. Finally, none of this would have been possible without the hundreds of great pictures taken by Mr. Tom McHugh of Jamesway Studios. Thanks, Tom for attending every dance, fundraiser, game, match, meet and production, for remembering every one of our names, and for always having a big smile and a kind word!

Athletes for a Healthy Lifestyle is a student managed organization which encourages athletes to maintain a body free from alcohol, tobacco and other drugs. AHL membership includes many captains and athletes of all the team sports. These athletes agree to serve as role models during the season by remaining substance-free. The emphasis is to encourage athletes to help each other maintain proper healthy standards conducive to performance and competition. Through our successful fundraising events, including car washes, raffles and bake sales, we have been able to invite several motivating guest speakers to R.M.H.S. This past year, we sponsored the Aerobic Workshop at the Senior Citizen Center and a Volleyball Tournament at the Fieldhouse. Special thanks to our Advisor, Mrs. Jane Fiore, for all her time and never-ending enthusiasm.

SCHOOL COUNCIL

"Man's mind stretched to a new idea never goes back to its original dimensions."

The Education Reform Act of 1993 established School Councils in every school in Massachusetts. At R.M.H.S, the Council consists of the principal, three parents elected by the parent community, two teachers elected by the faculty, two community representatives, and two students elected by the Student Council. The Council meets monthly to formulate an annual school improvement plan.

NATIONAL HONOR SOCIETY

Membership in the National Honor Society requires a student maintain a 3.7 G.P.A., and have demonstrated excellence in the areas of leadership, character, scholarship, and a commitment to service. Each year, the National Honor Society sponsors a service project under the direction of Mr. Debeck. This year, the chapter ambitiously decided to have a clothing drive throughout the entire public school system. The drive benefited Lazarus House, a shelter for families in Lawrence. The seasonal spirit was inspirational. The schools and the town pulled together to donate a myriad of clothing and supplies to these families in need.

Students may explore the theme in a variety of categories including a project (table top display), a paper, a performance or a media display. NHD is a many tiered competition beginning with an in school competition, then districts, states and finally the national. Reading has been a powerhouse for many years in all levels of the competition usually garnering more than half of all awards.

LATIN HONOR SOCIETY

Jennifer Clark — President

To qualify as a member of the Latin Honor Society a student needs a 3.7 GPA for at least three semesters and a B average in all other areas.

FRENCH HONOR SOCIETY

Goodrich, Christine Vaccaro, Amy Haskell

The French Honor Society recognizes the consistent, meritorious work of French students through its induction each spring. Once they become members, students may find an outlet in which to delight themselves in the many areas of Francophone culture such as films, art, foreign correspondence and trips to Boston and New York. Ultimately, though, inductees are encouraged to use their own personal fascination with the language as a means to inspire the school community as a whole to develop an interest in foreign language and culture. This is achieved through the use of speakers, magazines, school wide festivals, and the like. They also selflessly donate their time and abilities by tutoring those French students who are having difficulty with the language.

MAKING A DIFFERENCE

It's not all fluff. Participating in the many clubs and activities at RMHS has its rewards. Lots of fun combined with hard work, contributing to the school and the community leads to a real sense of gratification. In giving back, we never know whose lives we may impact.

AIDS AWARENESS COMMITTEE

The AIDS Awareness Committee is a group of students dedicated to the education of the student body. To promote awareness, the committee sponsors one week each year devoted entirely to AIDS and HIV related topics. This year, we began the week with the annual AIDS survey, and ended with an incredible presentation by two young adults living with AIDS. In addition, T-shirts were sold to raise funds for AIDS research, and a candle light vigil was held on World AIDS Day on the Reading Common. Remember, *don't let it destroy us.*

SAVE THE WETLANDS!

Frogs croak without 'em

The goal of the Vernal Pool Association is to promote the identification, appreciation, and study of vernal pools, their organisms, and the surrounding habitat. Vernal pools are important resources which provide breeding habitats for many of the amphibians in the state. Over the past four years, we have developed an environmental curriculum that is being copied all over the country. We have run workshops, produced educational materials, and certified over one third of the pools in the state. To recognize our work, we have been presented with numerous awards from local and national organizations.

Reading participates in a six town collaborative program (called SEEM). There are two SEEM classrooms at RMHS. The emphasis of these programs is similar to that of the high school's philosophy. The curriculum focuses on reading, math, writing, work, social skills, and practices applying learned skills to everyday situations.

Over the past several years, a successful Peer Tutor Program has increased cooperative learning opportunities. Peer tutors have found this to be beneficial because they learn more about themselves and others by working within the SEEM program.

DIVERSITY THEME COMMITTEE

For the past two years, "Diversity" has been the Theme for RMHS. The Diversity Theme Committee started planning for the 1994-1995 school year during the summer. The committee, chaired this year by Kevin Haverty and Kristen Martinelle, developed the theme of "Respecting Diversity" for this school year. Over one hundred RMHS students have been involved in Theme over the last two years, as planners, participants and facilitators, reaching out to include every member of the RMHS student body. Many events were held during the school year which underscored our theme. The events included Diversityfest (Tri-chairs Ruby Bansal, Dave Kieran, Chrissie Cerretani), seminars (co-chairs Susan Maloney and Marissa Freitas), guest speaker/performance corner (co-chairs Julie Merrill and Genesa Patten), book discussions (chairperson, Jessica Eddy) and curriculum discussions led by Jill Rickershauser. The committee's goal was to make the theme something that the students would want to embrace. We tried to listen and respect each other as well as the other members of the school community. We hope that this has been a positive experience for everyone involved. Special thanks to advisors Mrs. Mirkin and Ms. Montejuanas and to all of the staff members for their support in making Theme a success this year.

MARKETING EDUCATION

Mr. Levesque's double period Marketing Education course is more than just a class. It is a group of kids who get along and grow closer throughout the year. Since we are all Seniors, we realize that it is our last year and we try to make it a memorable one. The guidance that Mr. Levesque provides in the classroom makes for an easy learning atmosphere, where all the aspects of marketing are analyzed. Outside of the classroom, we all hold a job. Our employment teaches us values which cannot be taught in school. The students all agree, however, that the best part of the experience in Marketing Ed is the bond that exists among the students and Mr. Levesque.

GOOD LUCK AND GOOD BYE TO
THE
CLASS OF 1995

IN MY LIFE, I'VE LOVED THEM ALL . . .

Class Of 1995

It's time to move on
We're past our high
school years
We'll meet new people and
challenge new ideas
We've come this far having
great expectations
Experienced good times
along with life's aggravations
For the future, we've
set our goals
Now we'll strive to establish
our roles
These years have flown by
before our eyes
Now it is time to say
our goodbyes
Let's live for the future and
keep our dreams alive
We will always be
remembered as the
class of '95.
